How about a Valentine's Day treat?

Vafler

6 eggs
1/2 cup sugar
1 tsp. ground cardamom
1 1/2 cup flour
1 tsp. baking powder
pinch of salt
1 cup sour cream
1/2 cup melted butter
3 Tbsp. butter for frying

The vafler in Norway are served for dessert or as a treat in heart-shaped sections. They are much sweeter and softer than American waffles and are almost always homemade.

Mix eggs, sugar, and cardamom together in a big bowl.
Add in flour, baking powder, and salt.
Mix these ingredients and beat in sour cream and butter until the batter is smooth. Let the batter sit for about 20 minutes before you begin making the waffles
Heat up the waffle iron and brush some butter on the surface of the iron
Pour 1/4 cup batter over the iron and wait for the waffle to become light brown
Remove waffle (watch out, it's hot!) and serve warm
Top with jam, whipped cream, or sour cream. Try different toppings or make a waffle sandwich.
